

Metamark MD5-A

High Performance Digital Vinyl with
MetaScope System

Metamark MD5-A features the MetaScope adhesive system, offering ease of application by providing air with an exit route from under the graphic. It makes for faster, trouble free application of larger decals onto smooth flat or slightly curved surfaces. The high quality film, adhesive and liner, combined with Metamark's distinctive coating technology provides outstanding print performance.

Metamark MD5-A is suitable with Solvent, Eco-Solvent, UV and Latex inks.

Performance you can trust
